

**BIG OR SMALL, YOU STILL  
DESERVE TO BE TREATED RIGHT**

Whether our customer is a Fortune 100 corporation, a growing mid-size firm, or a small business, technology offers improved productivity and enhanced efficiency.

Since 1986 we have developed an in-depth knowledge of the business technology industry, coupled with the resources necessary to accommodate any transaction – large or small – NEC Financial Services is actively financing the deployment of technology in today’s business environment.

NEC Financial Services delivers flexible financing and leasing structures to its customers through its involvement in all aspects of the transaction, including lease structuring, credit approval, lease documentation, and asset management. This enables NEC Financial Services to develop individually customized financing solutions that meet our customers’ specific needs. As a member of the NEC group of companies, NEC Financial Services has the financial capacity to fund its entire portfolio of equipment leases and loans.
